## Did You **Know?**

Vaia Talent knows the impact the wrong hire will have on your company. The last thing your company needs is to offer a generic hire the role, which ends up not working out.

Vaia Talent is your complete sourcing-as-a-service, recruitment, and interviewing solution center. We offer talent solutions for a range of recruitment challenges.

74%

Nearly three in four employers (74%) say they've hired the wrong person for a position.

30%

The average cost of a bad hire is 30% of the employee's first-year earnings.

250

On average, each corporate job offer attracts 250 resumes.

## Don't Take Our Word for It. **Here Is What Our Clients Have to Say:**

As a top consulting firm, (we) require niche talent in a short turnaround window. Angie does a phenomenal job of understanding very specific details for a variety of roles, working in a multitude of client industries. Simply 'finding a body' does not cut it and Angie is able to source the top talent that we need under these intense circumstances.
